ABOUT ME

Highly motivated and detail-oriented, with strong leadership, decision-making, and analytical skills. Skilled in team coordination, event planning, and multitasking, ensuring efficient support for executives.

Throughout my academic journey, I have gained valuable experience and achievements showcasing strong leaderships and problem-solving skills. For example, I have successfully led a team as a producer and director in producing a graduation MV, demonstrating project management and creative direction.

Moreover, I managed the entire team to participated in and won second place awards in National Choir Competition, showcasing teamwork and dedication. Besides personal development, I have also achieved excellent academic results in SPM and UEC, especially in the language subject.
